1983 Editorial Index

ASSOCIATION PERSPECTIVES

Communications Marketing Associates, December, p. 72.
Forestry Conservation Communications Association, August, p. 86.
National Association of Business and Education Radio, November, p. 90.
Special Industrial Radio Services Association, September, p. 126.
Telocator Network of America, October, p. 82.

BUSINESS MANAGEMENT

Alternative of Leasing, Robert Bakofen, HCL Corporation, December, p. 24.
How to Select a Communications Attorney, Jeremiah Courtney, Courtney Law Offices, April, p. 74.
Software Options: Meeting the Bill, Richard Adamson, Associated Systems, October, p. 38.
Stabilize Insurance Premiums by using Specialty Plans, Wyant R. McAvoy, Wyant McAvoy Insurance Agency, March, p. 64.
Too Much Inventory and Too Little Profit, Russell Hammer, Radio Ranch Inc., owner/general manager., March, p. 50.

CELLULAR

Canadian Cellular: What's Up?, Steve Lemons, technical editor, March, P. 23.
Cellular Comes to Life, "Industry Watch," October, p. 20.
Cellular: Land Mobile's Mousetrap, Scott Goldman, Compucon, Inc., December, p. 54.
Cellular Service Goldmine, Jeremiah Courtney, Courtney Law Offices, April, p. 52.
Cellular Services in Rural Areas, "Industry Watch," April, p. 24.
Everybody Wants In, "Industry Watch," June, p. 24.
Wireline Current Measured in AMPS, "Industry Watch," November, p. 20.

COMPANY PROFILES

Celebrating Independence, (TACTEC), April, p. 110.
Growing Fast, (Cartwright Communications), October, p. 70.
In The Pioneer Tradition, (Oki Advanced Communications), September, p. 114.
Taking Cellular out of the City, (CTI Manufacturing), November, p. 72.
Taking the Giant Step, (Standard Communications), July, p. 72.
Teamwork: The Key to Success, (Uniden Corporation), August, p. 68.

COMPETITION

Guidelines for Competitive Procurement, Charles F. McMorrow, Booz, Allen & Hamilton, Inc., April, p. 62.
Manufacturers and Dealers: Partners or Competitors?, F.G. (Spike) Fuson, Communications Engineering, August, p. 62.
Philosophy of Quality, Scott Forsythe, Radio Contact Corporation, October, p. 54.

800 MHz TECHNOLOGY

Easing the 800 MHz Conflict, Glyn Bostick, Microwave Filter Company, Inc., November, p. 30.
800 MHz System Design, Part I, Gregory M. Stone and Bernhard Ebstein, Sachs/Freeman Associates, Inc., June, p. 26.
800 MHz System Design Considerations, Part II, Gregory M. Stone and Bernhard Ebstein, Sachs/Freeman Associates, Inc., July, p. 36.

EMERGENCY MEDICAL SERVICES

EMS: A National Overview, Doug Lumsden, associate editor, August, p. 22.
EMS to the Rescue, Thomas A. Santogrossi, Medical Communications and Instrumentation, Inc., August, p. 20.
Emergency Communications: Helping Fend the Tide, Arthur Hill, Washington correspondent, August, p. 30.
L.A. County EMS, Vernroy M. Watanabe, Department of Communications, County of L.A., November, p. 54.

FCC

LMR: A View from the FCC, Arthur Hill, Washington correspondent, October, p. 58.
Land Mobile Lobbying Tools, Arthur Hill, Washington correspondent, September, p. 34.
Year in Review, Arthur Hill, Washington correspondent, December, p. 62.

IMPORT/EXPORT

Export Laws, Peter H. Reinhard, Magnus Corp., April, p. 10.
Market Expansion Through Exporting, "Industry Watch," September, p. 18.
Will New Export Laws Provide New Opportunities for U.S. Telecommunications?", Arthur Hill, Washington correspondent, January, p. 28.

INDUSTRY SURVEYS

Business Radio User Survey 1983, Doug Lumsden, associate editor, July, p. 50.
Dealer Survey 1983, Doug Lumsden, associate editor, April, p. 92.
EMS: An National Overview, Doug Lumsden, associate editor, August, p. 22.
Radio Common Carrier Survey 1983, Doug Lumsden, associate editor, Oct. p. 46.
Service Technician Survey Results, Doug Lumsden, associate editor, May, p. 76.

INTERCONNECT

Airborne Interconnect, Steve Lemons, editor, November, p. 22.
Interconnect in the Petroleum Industry, Robert M. Snyder, Standard Oil Company (Indiana), May, p. 68.

INTERMODULATION

Intermodulation Interference in Radio Systems, Chris Turner, Cody Electronics, April, p. 32.
The Other Side Of Intermod, Dennis G. Hohman, Coden Enterprises, Inc., September, p. 60.

LICENSING

A Matter of Form, Kevin Korowicki, E.F. Johnson Co., December, p. 34.
Rule Changes Ease License Burden, John A. Hertrick, Federal Licensing, April, p. 80.
Simplifying Distance Calculations, Don Precure, FCC Office of Science and Technology, September, p. 88.

MANAGEMENT

The Carrot and the Stick Syndrome, Dick Card, Jensen Communications, September, p. 28.
Conducting Personal Performance Reviews, Steve Lemons, editor, April. p. 44.
Hiring for Increased Profits, Donald E. Schaefer, Communications Equipment Company, September, p. 20.
Tapping the Power of In-Person Communications, Cathy Chalmers, associate editor, June, p. 54.

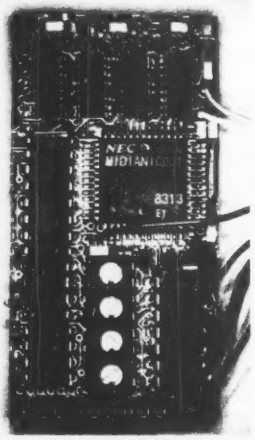
MARKETING

How to Sell Handheld Radios, Linda Orcutt and Steve Henke, Ritron, Inc., August, p. 52.

NEW!
IMTS and SMART
$199.95

IMTS-SMART-
DTMF-IPTS*

MIDIAN ELECTRONICS, INC.



- 10 Number Status Encode
- Last Number Redial
- Repertory Dial
- Call Queing (Auto or Manual)
- PTT Time Out Timer
- 16 Channel Scanner (Auto or Manual)
- Optional Liquid Crystal Display
- Optional Call, Busy, Transmit LEDS
- Optional DTMF Overdial and Decode
- Size — 1.3" × 2.5"
- Deadbeat Disable for Delinquent Customers
- 3 Phone Number decode per mode
- 2 Ring Tones (Business/Personal)
- 1 — 14 Digit Decode or ANI
- All Call or Group Call
- Full Busy Lockout
- 4 Keyboards Available
- *IPTS with Optional 2 Tone or 5 Tone Decoder

OMEGA

MIDIAN ELECTRONICS, INC.

2302 EAST 22ND STREET, TUCSON, ARIZONA 85713 (602) 884-7981 TELEX 910-9521173
